## **MR. TEE GOLF DISPENSER**

Mr. Tee Golf Dispenser is handy and convenient...

Norwalk, CA— The invention of the Mr. Tee Golf Dispenser offers a creative concept for a container that stores and dispenses golf tees as needed. This handy product could be manufactured in a variety of colors, as well as bear a corporate or team insignia. Using the Mr. Tee Golf Dispenser would eliminate the need to fish for tees out of a bag or pants pocket.

The Mr. Tee Golf Dispenser was invented by John G. of Norwalk, California. He said, “My invention is designed to provide golfers with a simple way to carry and access a selection of golf tees. An alternative to digging for tees buried at the bottom of a golf bag or enduring the discomfort of tees sticking through pants pockets, the Mr. Tee Golf Dispenser would alleviate the wasted time and provide the perfect solution.”
