These treats save the consumer money when buying various chocolates and snacks. Why buy individual bags of potato chips, pretzels, nuts or marshmallows when one can have all these delicious tastes combined in a variety of products called D&T's Chocolate Bits-N-Pieces?"

These products are available in the form of bite size squares, ice cream toppings, crunch bars or a completely edible waffle cone or bowl, either filled or coated with Chocolate Bits-N-Pieces. The consumer can either eat the cone filled with chocolate treat or insert their favorite ice cream into the chocolate-coated waffle cone or cup for an additional gourmet flavor.
