PORTABLE HOT SHOWER

Portable Hot Shower provides comfort and convenience...

San Jacinto, CA— The invention of the Portable Hot Shower offers a creative concept for a shower stall that is specially designed for outdoor use. This innovative product would provide camping and outdoor enthusiasts with a convenient and comfortable means of showering. Eliminating the need to take a swim or boil water in order to have a bath outdoors, the Portable Hot Shower would make camping and outdoor adventures much more enjoyable.

The Portable Hot Shower was invented by Benard S. of San Jacinto, California. He said, "My invention is designed to provide a method for enjoying a clean, hot, and refreshing bath when out of doors. From camping and hiking enthusiasts to members of the military, the Portable Hot Shower would make an extended trip out of doors a much more pleasant experience. Easily assembled and disassembled, the Portable Hot Shower would be an invaluable addition to outdoor gear."
