THE BULLFROG FLOATING MUSIC ICE CHEST

The Bullfrog Floating Music Ice Chest is fun and entertaining!

Chino Valley, AZ—The invention of The Bullfrog Floating Music Ice Chest is a very clever concept that is designed with lots of fun and more than a hint of novelty in mind! This floating cooler or ice chest features an integrated waterproof radio and speakers, multiple cup holders and accessory holders, and provides entertainment in any environment – even while floating in a pool, pond, lake, river, or harbor. The Bullfrog Floating Music Ice Chest would provide swimmers and tubers with a versatile floating cooler and entertainment system, ensuring a great time on any outing.

The Bullfrog Floating Music Ice Chest is the invention of Michael A. Rauert of Chino Valley, Arizona, who says about his product, “The Bullfrog Floating Music Ice Chest provides outstanding consumer convenience and enjoyment. I designed it with water lovers in mind, as a way to enhance their outdoor activities with this useful, convenient, and dependable accessory that would make any water outing more fun. Future versions of the product could feature CD and DVD players, LCD screens, and even light and laser effects, for the ultimate outdoor experience.”
