TEAM LOGO EMBLEMS

Perfect for sports enthusiasts!

Lynwood, CA—The invention of the Team Logo Emblems offers a great concept line of specialty decorative emblems that are sure to be a hit with auto aficionados and sports enthusiasts alike. These specially designed, decorative emblems are quickly and easily applied to a bumper, hood, or grille, and adorned with the logos of professional athletic teams and college insignias. Owners will find the Team Logo Emblems a perfect, personalized way to celebrate their favorite sports team or university, while adding a dazzling accent to a vehicle.

The Team Logo Emblems were invented by Leonel Orozco of Lynwood, California. He designed the emblems as a visible shout-out that is expressed in a stylish and classy manner. Leonel states, “My invention is designed to provide a unique way to show team spirit and celebrate a favorite sports team or school, while enhancing the look of a car or truck. The Team Logo Emblems would be easy to apply and manufactured of durable materials, providing years of use and proud display.”
